Dr. McCracken graduated Doctor of Dental Surgery from University of Missouri-Kansas City (UMKC) after completing her Bachelor of Science in Business Administration from Kansas State University. As proud Wildcat who went to work in the corporate world as a salesperson and educator for a dental company decided not to sit on the sidelines any longer and began the rigorous science and medical educational course load to become a dentist. For Dr. McCracken dentistry is a wonderful combination of working with people to help them be healthy, artistic in creating or recreating beautiful teeth and owning a business so she can treat patients and team members with the "golden rule" without corporate influence.

With a commitment to providing quality care for her patients, Dr. McCracken maintains memberships with the American Dental Association, the Kansas Dental Association and the First District Dental Society. Builiding trusting relationships with patients, striving to offer high quality, comfortable comprehensive dental care and enjoying spending individual time with patients to make sure education and personalized care are emphasized are some of the reasons Dr. McCracken loves her career.

Outside of the office Dr. McCracken enjoys spending time with family, friends and her rescue dog, Ruby. She is actively involved in the Chamber of Commerce, her church, Kansas State

Catbacker events and Kansas City Young Professionals. You can often find her cheering on the Royals, Chiefs or Wildcats, travelling, working out, or listening to live local music with friends.
